

# The Constellation Rochester Area Mensa

December, 2011

## Short & Sweet

Hello Everybody and Happy Holidays!

We haven't scheduled quite as many activities over the holiday season. In January however, we have some special events planned: Mensa will be getting a tour of the new Monroe County Crime Lab 1/6/2012, and our post-holiday party will be on Saturday, January 21<sup>st</sup>!

The wine tasting and tour at Casa Larga was extremely fun and informative! I am sorry if you missed it. We may go back at some point, so you're likely to have another chance!

We also had a great Thanksgiving family style dinner at Holloway House! I received only positive comments from the ten members who enjoyed the atmosphere and the wonderful food (except for Danielle, who unfortunately doesn't care for turkey). However, she did get to take a full can of silly string home with her, so I think she was okay with the overall arrangement!

(Continued on Page 2)

**Short & Sweet – Continued from Page 1**

Rochester Area Mensa also had an amazing two-day Halloween party! We had games of all levels of difficulty, including a silly string war! Terry persuaded Tops Markets to donate five amazing party platters. I won't ask too many questions about how he managed that one but we are looking forward to continuing and expanding the relationship with Tops and other local businesses.

Hope to see you soon,

*Julie Stout,*

## January RAM Events (*so far!*)\*

*\*Attention fellow Mensans, please be aware:* We are continuing the practice of publishing at least the known events for the coming month ahead of time, usually at least the First Thirstday and whatever else is nailed down by the time we go to print. This is just a preview into the future month, so please be sure to refer to the RAM Web site, consult your Constellation issue for the next month when you get it, or give us a call or send an email if you have a specific question (or suggestion).

Tour Event & Dinner – Friday, January 6, 2012 6:00 pm

Monroe County      We are still bouncing around  
 Public Safety Laboratory      several great ideas about where to  
 85 W. Broad Street      have dinner after our tour. Look for  
 Rochester, NY 14614      more info and details next month.

**OKAY – We've set the date!** We are very pleased to announce that our tour of the new Monroe County "Crime Lab" will be on Friday, January 6, 2012 at 6:00 pm. The tour is being conducted by our friend and forensic expert James Wesley, followed by dinner and plenty of relevant and lively conversation.

Because this is an exclusive private tour for interested RAM members and their friends or family members, we are limited to 25 tour guests. (Note: this is not a "children's" event – high school age and above only please.)

An RSVP is REQUIRED for this event and inclusion is on a first come, first served basis. However, the dinner following the tour will be open to all interested RAM Mensans. You will have a chance to meet and converse with Mr. Wesley even if you do not make the tour.

Please RSVP to Terry with number of guests and if you are interested in the tour, dinner, or both. Any additional details and/or updates will be included in the January Constellation, which you will probably have by December 28<sup>th</sup>. Contact info is on the back page or on the Web site.

**About Our Cover and “Centerfold” Photos**

This month's photo is *Mile Marker 1.0*, 11/05/2011, Copyright © 2011 Terrence Redfield, superbly choreographed by Sue Keller and taken at our Ontario Pathways Hike in early November.

The picture we use for our cover and centerfold is open to all who care to participate. If you have attended a recent RAM event and would like to suggest one of your own photos, send it in!

The criteria are fairly simple: It must be an original photograph submitted by anyone – RAM member or non-member – depicting anything of interest from a recent RAM event. Other than a few editorial and/or technical details, that's pretty much it! Feel free to call or see the Web site for complete details.

### One Fanta-Stick Photo

**Praying Mantis – 10/08/2011 Copyright © 2011 Robert Horner**

Yep, pretty fantastic: Many photographers tried and many failed, but our own Bob Horner was able to capture a unique, extremely high-quality, and fairly rare photo of this praying mantis while on a hike with fellow RAM Mensans in October. (Umm, just to be clear, Bob was on the hike, not the praying mantis!) This one – and please feel free to comment because I am no entomologist – appears to be a pregnant female, making the photo consistent with our running theme of discussing things to come.

In reality, we are doing much more than just discussing things, although discussion is a prerequisite... positive change within Rochester Area Mensa is gaining momentum and with your help we will be able to sustain that trend throughout the subsequent months, years, and perhaps generations.

For a moment, we'll mount an attempt to get back to basics. Can you recite, from memory, the purpose of Mensa?

- 1. To identify and foster human intelligence for the benefit of humanity;**
- 2. To encourage research into the nature, characteristics, and uses of intelligence;**
- 3. To provide a stimulating intellectual and social environment for its members.**

Let's try and keep *all three* of these ideals in mind while planning for continued growth and improvement in the coming year.

*– Terry Redfield*

## Thanks to Our Halloween Party Sponsors

This October, less than a month ago as I am writing this, we held our first ever RAM Non-Costume Halloween Party and it turned out to be quite a success! Certainly, it provided some useful information that can and will be incorporated into planning future events, but everyone who attended had a good time, and everyone went home with something – anything from a \$50 universal gift certificate all the way to Silly String (as Julie might have mentioned!) 😊 Simply put, we had a ball!

One of the many things that contributed to the overall success of this event was the generous support of several sponsors. We are taking the time here to recognize two groups that were integral to that success: grocery retailer Tops Markets and musical group Gibbs & Main. Both of these groups made significant contributions and their participations was and is very much appreciated.

### Thanks to Our Sponsors – Continued

The only difficult part about hosting this party was keeping the guests away from the food long enough to snap a few pictures of what Tops Markets had graciously donated.\* To our friends at Tops: Everything was just wonderful and thank you!

\*I apologize for not having a lot more photos from the party, but we were all having such a good time that taking pictures quickly became much less of a priority. However, on the opposing page, you'll see the mini-sandwiches, wraps, and croissants accompanied by the cheese and veggie tray and an assortment of scrumptious desserts... *before* we dug in! All photographed at the party and all ~\$200 worth enjoyed courtesy of our friends at Tops Markets!

### Thanks also to Gibbs & Main\*

Another highly appropriate and much appreciated donation came in the form of 2 CDs that were used as prizes for our RAM members. The music is described as a “collection of tangos and other music influenced by the rhythms of South America” and in case you missed it, the CDs are still available directly from the group’s Web site at [GibbsAndMain.com/store.html](http://GibbsAndMain.com/store.html) for \$15.00. Look for Gibbs & Main to appear on the RAM events calendar in the coming year.

\*Gibbs & Main, formerly known as Quartsemble, is a group of local musicians who first and foremost make beautiful music but also become involved in the community through various activities such as their Kidsemble program (See: [GibbsAndMain.com/kidsemble.html](http://GibbsAndMain.com/kidsemble.html)) and many others. They intrinsically have our support in all they do.

### And Thanks to Our Loyal Members, Too!

While our sponsors are important, our members also are important. At our party, we made a point of recognizing and praising two of our RAM family members, Sue Keller and Bob Horner. Sue is an indispensable part of the team when it comes to coordinating our calendar and scheduling events. Bob is a long-time RAM member, always ready to pitch in and help with anchoring events, showing up with our indispensable yellow balloons, and capturing some of the most Fanta-stick pictures from RAM events (e.g. see page 5). Both Sue and Bob are valued and indispensable members of our RAM family!

– Terry Redfield

**reMARK by Betsy Yvonne Mark, RVC3 – December, 2011**

I feel like Santa or Aladdin or a fairy godmother. I have been able to grant wishes of Region 3 members. What a feeling!

**First** is to publish the following announcement of Southeast Michigan Mensa's Name the RG competition:

**NAME THAT RG COMPETITION ANNOUNCEMENT**

Back by popular demand: Name our RG and win a free registration to the upcoming wonderful \_\_\_(your idea here)\_\_\_ RG!

You will win a free registration for the 2012 SEMMantics Regional Gathering if you suggest the best name and theme for SEMMANTICS XXXIII, to be held the weekend of May 4-6, 2012.

We are announcing a competition, with all current members of Mensa eligible, to name a theme for our RG, the biggest event of the year. Ideas, double entendres, puns, feghoots, and other clever word plays are especially welcome, of course. Submit your suggestions by December 20<sup>th</sup> to Jean Becker. She will remove the name of the submitter and the RG committee will choose the most original, representative, and creative entry to name the RG and provide the theme for its activities.

All suggestions must be addressed via e-mail to Jean at JeanKBecker@gmail.com no later than the above-mentioned deadline, December 20, 2011. You can just submit the name, or you may explain the reason you think the name and theme are the best, up to a maximum of 250 words. Please place the words "SEMMantics name competition" in the subject line. Winners will be announced at the Winter Bash and in M-Pathy. Here's your chance to have it your way!

— *Jean Becker*

**Second** is to add the following games to the three overflowing Region 3 tubs now stored by Beth Weiss and Stan Ward for use at events within the Region. I am not a game player, save for FreeCell, but the one that I do love is Apples to Apples and I have ordered a crate! In addition, there will be multiple copies of Qwirkle, Qwirkle Cubes, and Wizard for tournaments and Big Boggle, Blokus, Ticket to Ride, and Five Crowns to bring pleasure to our gamers. Enjoy! Enjoy!

I hope you are attending **the Cincinnati Regional Gathering: Just for Your CAMusement!** in Cincinnati, Ohio, this first weekend in December. It's promised that there will be no clowns. Registration is \$70.00; Ages 5 and under are free; Ages 6 to 12 are \$10; Ages 13 to 20 are half-price; Friday only \$25; Saturday only \$60; Dinner & Dance on Saturday (after 5pm) \$35. *For More Information Contact:* Marty Meighen, 9113 Tag Drive, Cincinnati, OH 45231 or just show up! **Have a Blast at Mind Games®**

**by Jared Levine and Jess Byron, Mind Games co-chairs**

Thinking about attending Mind Games®? You've heard about it, thought about it, maybe even checked out the website, but what is it really? Here's what you should know before you go.

Mind Games is a weekend-long event that has up to 300 people playing games that have been on the market for no more than one year, testing them out, providing manufacturers valuable feedback, and selecting the Top 5. Every year, Mensa solicits new games of all types (except video games) from the various game manufacturers, from big names to small independent outfits. There are approximately 60 distinct titles in any typical year, and we get to test them all out. Sometimes we're among the first to ever even see the finished version of a game.

(Continued on Page 11)

## Have a Blast at Mind Games® – Continued from Page 10

When you get your registration packet, you are handed the list of games. Everyone gets the same list, randomized order-wise, so that the first 30 games listed for each person are different. These are your “assigned” games for the weekend – the only games from which you are permitted to vote for the Top 5, which receive the Mensa Select® seal. Throughout the weekend, you are expected to play those 30 games; while you can play the rest of the games with your extra time, you don’t have to.

As you play, you try to find the main features of the games. You can provide feedback to the manufacturers on all sorts of items. Some games will be quick to understand and play, while others take longer. There’s the occasional dud in the mix, but you’ll play many great games over the weekend, some of which you’ll be so excited about that you decide to play again despite having many other games to play. These are some of the best moments in Mind Games — enjoy them.

At the end of the fun, frenzied weekend of play, we announce the Top 5 winners and then hold a games give-away. All of the games played throughout the weekend are repackaged, the names of the Mensans in attendance are randomized, and, in order, we get to select which game we want to take home with us – a nice perk of the weekend. If there are any games left over when we hit the bottom of the list, we work our way back up the list until all the games are gone.

For 2012, we are holding Mind Games in Herndon, VA at the Hyatt Dulles, a short hotel shuttle ride from Dulles Airport. Registration includes round-the-clock hospitality and all the games you can play. All meals from dinner on Friday through breakfast on Sunday will be provided, including two buffet dinners provided by the hotel.

The official start time where announcements happen is at 4pm on Friday, but, if you're trying to decide whether to come early or late, err on the early side. Registration will start around 9am, the games are fluffed (prepared) starting around 10am or so; once we’ve completely finished that process anyone who has already arrived is usually welcome to start playing. We're also looking into hosting some early gaming (not using the Mind Games entries) the night before. To find out additional important information, keep up with the happenings, and ask questions, find us on Facebook (search Mind Games 2012). To register for Mind Games, go to [mindgames.us.mensa.org](http://mindgames.us.mensa.org). To make your hotel reservations, go to <https://resweb.passkey.com/go/MensaMindGames2012>.

We'll see you in Herndon on April 20 when Mind Games 2012 officially begins!
