## Short & Sweet

Hello to Everyone!

I hope that you are having a GREAT summer! The Rochester Philharmonic Orchestra concert at Charlotte Beach was very good. Aside from too many opera overtures (for my taste) and creative parking, it was an extremely enjoyable evening. The weather was absolutely perfect!

I realize that we have a pretty busy summer schedule. I hope that your family is able to attend at least one event. The only function that does not allow younger Mensans is Party Madagascar at Seneca Park Zoo (due to alcohol being served). We do plan to make one change in the schedule for August. The pool party will take place on Sunday, the 26th of August. All other details regarding the party remain the same.

Everyone has his or her own interpretation of life. I have been told (by a number of people) that my view is quite unusual! Occasionally, I will share an example of my unique perspective. I was shopping at Salvation Army with a friend of mine

who likes to go there for the low prices. There is always a gigantic, multiple rack assortment of available jeans. She had selected a full cart of things to try on, while I grabbed only one pair of denims. When she questioned me about only having one pair, my response was, "I only want one pair!" As I recall, she was left tilting her head to the side like a dog who was trying to understand a most confusing situation!

Hope to see you soon,

*Julie Stout,*

RAM LocSec

P.S. I did end up taking the jeans home! 😊

## August RAM Events (*so far!*)\*

This is just a preview into the future month, so please be sure to refer to the RAM Web site, consult your Constellation issue for the next month when you get it, or give us a call or send an email if you have a specific question (or suggestion).

**reMARK by Betsy Yvonne Mark, RVC3 – July, 2012**

It's the Annual Gathering! I hope you are in Reno, Nevada, with me. I will be hosting a Region 3 Meet and Greet on Wednesday, July 4, from 6 to 7:15 PM and I hope to see you there – plenty of time afterwards for the fireworks! Region 3 Meet and Greets are great ways to connect with members from our wonderful Region. Touch base with members who share your interests. Are you on your ExComm? Do you volunteer for a specific something for your local group? Meet others who do the same and who might benefit from your experience. I have actually met members from my own local group who hadn't been at any local function and whose first event was the AG. When you sign in your local group gets points towards the Group of the Year Award. What a great way to make new acquaintances and friends!

It's not too late to register for the 2012 Columbus Area Mensa RG, The London (Ohio) Games to be held July 27-29. Cincinnati Area Mensa is in an excited state (any of the energy levels of a physical system – like an RG committee) as you are invited to the HyperchaRGed gathering. (Hypercharge: the quantum number equal to B [baryons] + S [strangeness] + C [charmed].) Gravitational attraction and radiant energy brings you to the Doubletree in Sharonville starting Nov. 30, and inertia takes you to a half-life of the event on Dec. 2.

**About Our Cover and “Centerfold” Photos**

This month's photo is *A Cheesecake First Thirstday, 06/07/2012*, Copyright © 2012 Robert Horner, including our RVC Betsy Yvonne Mark and a couple of our favorite local Mensans, George and Bob. Sorry if you missed this event but we hope you can join us next time out!

The picture we use for our cover and centerfold is open to all who care to participate. If you have attended a recent RAM event and would like to suggest one of your own photos, send it in!

The criteria are fairly simple: It must be an original photograph submitted by anyone – RAM member or non-member – depicting anything of interest from a recent RAM event. Other than a few editorial and/or technical details, that's pretty much it! Feel free to call or see the Web site for complete details.

**Stay Tuned – More to Come – August, 2012**

We are planning on publishing an August Constellation edition to remind you of all events included in our busy summer schedule and to highlight any changes in the program. Please let us know if you have any questions or would like to have any additional events listed.
