Short & Sweet

Happy Holidays Everyone!!

The past few days have been very enlightening about behavior choices. I have seen people who have intentionally picked anger over forgiveness for minor differences of opinion. This decision is not comprehensible to me; it makes no sense to CHOOSE to be angry. The person I am thinking of hasn't learned that forgiving is actually better for both sides. Staying mad about something takes a great deal of negative energy (not to mention the fact that the anger, in general, manages to leak into other parts of your life!) In the end, it requires much more effort than just forgiving the incident in the first place!

I would like to get our younger Mensans group going even though we don't have as much information as I had hoped. My leads for contacts unfortunately introduced me to people (nice as they all seemed) who were no longer in control of their programs. I thought

that we would just get started developing our own Rochester Area Mensa Youth Program. We would like to introduce a Facebook group to allow for communication between our younger members.

I would also like to make a suggestion for some individual computer study based on something I saw in India at one of their schools. At the time, I was very impressed with what they were doing (and still am!) As a way to learn more about the world, they had listed a large number of holidays around the world. From my exploration in this area, I went in three different directions: 1) picking a specific timeline to focus on for holidays around certain dates, 2) looking into a complete listing of a country's annual holidays (holidays worldwide), and 3) if you are looking for a comical touch, look up ALL of the holidays in the USA (but be ready for some strange ones!!)

When I was researching the second subject, there was something that made a big impression on me. I am not going to share it with you, because I want you to come to your own conclusions about the information you discover!! I read a quote recently that I thought was very smart (especially for Mensans!) A good teacher points in the direction a student should focus, but NOT what they should see!

Wishing your family all the best, regardless of what holidays you celebrate! ☺

Hope to see you soon,

Julie Stout

reMARK by Betsy Yvonne Mark, RVC3 – December, 2012

Your American Mensa Committee (AMC) board of directors met in a teleconference on Tuesday, October 30. A motion was passed raising the regular dues starting January 1, 2013, to \$70. I voted no on this motion. Mensa membership is invaluable to me. Regardless of yearly dues, I would find a way to be a member. At \$70 per year, that is only \$1.35 a week, less than a cup of coffee almost anywhere. I do hope that the increase will not affect your membership. I am happy to discuss this with you – just email or, if you call, please wait until after noon. A second motion was passed; the official title for coordinators for youth activities in local groups was changed from Gifted Children Coordinator to Gifted Youth Coordinator. I voted yes on this motion.

The National NomComm has completed its work and now is the time for those who wish to run for Chair, 1st Vice Chair, 2nd Vice Chair, Secretary, Treasurer or Region 3 Vice Chair to do so by following American Mensa's petition process which is as follows:

“In accordance with Article VI, Section (4) of the Bylaws of American Mensa, Ltd., nominations for candidacy for office in American Mensa may be made by petition. Each petition must contain the signatures of 50 members of American Mensa in good standing as of December 1, 2012. Petitions must be submitted on official petition forms. Each petition candidate must also submit a completed Acceptance of Nomination form and a completed Candidate Information Form.

Petition forms, Candidate Information Forms, and Acceptance of Nomination forms are available below and may also be obtained by contacting the National Office at Operations@americanmensa.org. You also can start an online, members-only petition via the Web site. All petition candidates should review the 2013 Code of Election Procedures before beginning the petition process. Members wishing to sign available online petitions may do so via the same link.

Candidate petition forms must be received by 11:59 p.m. central time on February 1, 2013. Send completed forms and petitions to Operations@americanmensa.org, fax to 817/649-5232, or mail to Elections, American Mensa, Ltd., 1229 Corporate Drive West, Arlington, Texas 76006-6103.”

I hope you are reading this while attending Cincinnati's Regional Gathering (I am attending the AMC Meeting in New Orleans and am really sorry I am not there!). Cincinnati Area Mensa is in an excited state (any of the energy levels of a physical system – like an RG committee) as you are invited to the HyperchaRGeD gathering. (Hypercharge: the quantum number equal to B [baryons] + S [strangeness] + C [charm].) Gravitational attraction and radiant energy brings you to the Doubletree
