

The Constellation Rochester Area Mensa

March, 2013

Short & Sweet

Hi Everyone!

This is an article written for our newsletter by one of our younger Mensans, 11-year-old Madelyn MacLaughlin:

“On the February 17th trip to Wild Wings bird center in Mendon Ponds Park we got a fun private tour in the snowy 20-degree weather, and my fellow Mensans and I got to meet 15 unique birds of prey and even a bobcat! Some of the most unique and characteristic birds were Cody the Long-Eared Owl, with his big yellow eyes and long eye lashes; Hunter the noisy, talkative, blind Barred Owl; and of course Tara, the most famous and playful “bird of prey” in the facility. (She's actually a 20-pound bobcat!) I hope this trip could inspire other young Mensans to branch out a little and make some new friends. Pls consider joining us on our next outing!”

Short & Sweet – Continued from Page 1

I would like to bring up an extremely important issue: Decades ago, our Rochester Area Mensa group was much more involved because of available meeting arenas. For those of you who remember NPR gatherings (No Particular Reason) we met once a month at Mike Otto's house. Everyone brought his or her own contribution of food and drink to share with everyone else, and in addition, Mike (who enjoyed cooking) would come up with some appetizer to share. It became one of our most popular monthly events! :o) !

My volunteer duties at the nursing home will be changing, and I don't know how much flexibility we will be given to continue using the facility. I would love to have a list of possible members' residences for monthly gatherings! We could use a selection of homes so that we won't be using the same one every month! Our Mensa group would be certain to use a variety of locations, so that no one felt their house was being used too much. PLEASE consider allowing our Mensa group to use your home for occasional events – this would allow us to find an inexpensive location so that we might be able to put more money into the event itself. PLEASE HELP!!! :o) !

Hope to see you soon,

Julie Stout,

RAM LocSec

About Our Cover and "Centerfold" Photos

This month's photo is *An Afternoon with Feathered Friends*, February 17, 2013, Copyright © 2013 Scott MacLaughlin, taken at our RAM Youth outing at Wild Wings in Mendon Ponds Park. Sorry if you missed this event but we hope you can join us next time out!

The picture we use for our cover and centerfold is open to all who care to participate. If you have attended a recent RAM event and would like to suggest one of your own photos, send it in! The criteria are fairly simple: It must be an original photograph submitted by anyone – RAM member or non-member – depicting anything of interest from a recent RAM event. Other than a few editorial and/or technical details, that's pretty much it! Feel free to call or see the Web site for complete details.
